Chorus:

Jamie G., I want you  
Even though I know that I can't have you  
Even though I don't know which way you go  
I'm dying to come with you

What kind of times are these  
A guy can't do what he pleases  
But the way you tease  
I'd risk all diseases

Chorus

C'mon let's drink champagne  
Before they bring back prohibition  
Smoke a pack or two  
Then try another position

Chorus
