(words and music by Joe Jackson)

You make a guy feel humble
I make a fool of myself again
You make me trip and stumble
Just go dance by yourself again
I'll just watch
'Cause that's all I wanna do
But remember
That I'm here with your drink
At my table for two

Chorus:

And you're kind o' cute baby - kind o' cute baby
See you dance in your satin suit baby
When you move gotta sit right down
No competition with
This kind o' cutie around

I see you pass by my window
Have to run down the stairs again
I fix my hair round a corner
Catch you quite unawares again
And you laugh
And you move that way again
Just like last night - oh yeah that's right
I'm the guy with the big feet
But plenty of nerve

Chorus

Hey, don't you know
That all you got to do
Is remember
That I'm here with your drink
At my table for two

Chorus
