(words and music by Mike Jackson)

I like cake, and no mistake
But baby, if you insist
I'll cut out cake just for your sake
Baby, come on, knock me a kiss

I like pie, I hold to die
But get a load of this
When you get high don't go on the pie
Baby, come on, knock me a kiss

When you put your sweet lips to mine
You make it understood, oh yeah
They taste like candy, brandy and wine
Peaches, bananas and everything good

I like jam and old flimflam
Scratch that off my list
This ain't no sham the jam can scam
Baby, come on, knock me a kiss

(instrumental break)

Baby, when you put your sweet little lips to mine
You make it understood, oh yeah
They taste like candy, brandy and wine
Peaches, bananas and everything fine

I like jam and old flimflam
Scratch that off my list
This ain't no sham the jam can scam
Baby, come on, knock me a kiss

Baby, knock me a kiss
