Pretty boys-on my TV screen  
Teeth so white and hair so clean  
Pretty boys-sing and play guitars  
Pretty boys get to be big stars

How do you rate my sex appeal from one to ten  
Is my image just a bit confusing  
Maybe I should get a facelift, start again  
Maybe I should trade my pointed shoes in  
'Cause talent don't count  
For for

Pretty boys-on my TV screen  
Teeth so white and hair so clean  
Pretty boys-sing and play guitars  
Pretty boys get to be big stars

Those promo people got a lot to answer for  
You can take your face and see just where it fits  
Be a pretty pawn in someone else's war  
Your baby blue eyes-somebody else's wits  
Equals success  
For for for

Pretty boys-on my TV screen  
Teeth so white and hair so clean  
Pretty boys-sing and play guitars  
Pretty boys get to be big stars

I wanna see a human being on my TV set  
Want some action for the fat and thin man  
They're getting closer but they ain't got robots yet  
Just a hero with a smile like a tin man  
No brains and no heart  
Just just just

Pretty boys-on my TV screen  
Teeth so white and hair so clean  
Pretty boys-sing and play guitars  
Pretty boys get to be big stars

## Pretty boys-on my TV
