(words and music by Joe Jackson)

Now -

The mist across the window hides the lines  
But nothing hides the colour of the lights that shine  
Electricity's so fine  
Look and dry your eyes

We -

So tired of all the darkness in our lives  
With no more angry words to say can come alive  
Get into a car and drive  
To the other side

Chorus:

Me babe - steppin' out  
Into the night  
Into the light  
You babe - steppin' out  
Into the night  
Into the light

We -

Are young but getting old before our time  
We'll leave the TV and the radio behind  
Don't you wonder what we'll find?  
Steppin' out tonight

You -

Can dress in pink and blue just like a child  
And in a yellow taxi turn to me and smile  
We'll be there in just a while  
If you follow me

Chorus
