Mother doesnt go out any more  
Just sits at home and rolls her spastic eyes  
But every weekend through the door  
Come words of wisdom from the world outside

If you want to know about the bishop and the actress  
If you want to know how to be a star  
If you want to know about the stains on the mattress  
You can read it in the Sunday papers, Sunday papers

Mothers wheelchair stays out in the hall  
Why should she go out when the TVs on  
Whatever moves beyond these walls  
Shell know the facts when Sunday comes along

If you want to know about the man gone bonkers  
If you want to know how to play guitar  
If you want to know about the other suckers  
You can read it in the Sunday papers, read it in the  
Sunday papers

Sunday papers dont ask no questions  
Sunday papers dont get no lies  
Sunday papers dont raise objection  
Sunday papers dont got no eyes

Brothers heading that way now I guess  
He just read something made his face turn blue  
Well I got nothing against the press  
They wouldnt print it if it wasnt true

If you want to know about the gay politician  
If you want to know how to drive your car  
If you want to know about the new sex position  
You can read it in the Sunday papers, read it in the  
Sunday papers

Sunday papers dont ask no questions  
Sunday papers dont get no lies  
Sunday papers dont raise objection  
Sunday papers dont got no eyes

Sunday papers dont ask no questions  
Sunday papers dont get no lies  
Sunday papers dont raise objection  
Sunday papers dont got no eyes

Read all about it, Sunday papers
