(words and music by Joe Jackson)

Take what you want
But just what you need
For survival

Take what you want
But just what you need
For survival
Survival

Life's a bitch and then you die
Nothing you can do about it
Anything you steal or buy
You're gonna be leaving here without it

So take what you want
But just what you need
For survival
Survival

Take what you want
But just what you need
For survival
Survival

Take what you want
But just what you need
For survival
Survival
Survival
