It will never happen again
Is a promise i just can't keep
All alone on the porch
Drifting off to sleep
I change this much this year
But i did it for you my dear
Let me stick around
I'll never let you down
Well i guess that i was wrong
Well i was mistaken all along
It's hard to admit it's the end
So i'll say i'm sorry again and again
Wanted to change my mind
Falling a bit behind
Never be the same
Refuse to take the blame
Well i guess it happened again
If already didn't know
Sometimes it's hard to believe
We've sunk so low
