We've been apart for so long  
I thought you were for ever gone  
But now you've come back to me

I don't care about where you've been  
I don't care about anything  
My baby has come back to me

And it's just like cherry kicks  
Just like cherry kicks

We've been apart for so long  
Thought you were for ever gone  
But now you've come back to me

It's just like cherry kicks  
Just like cherry kicks!  
Just like cherry kicks  
Just like cherry kicks

Don't care about where you've been  
I don't care about anything  
My baby has come back to me

And it's just like cherry kicks  
Just like cherry kicks  
Just like cherry kicks  
Just like cherry kicks
