Another day,
Just trying to stay on my feet
Another night,
When I'm just roam the streets

And everything is such a blur - the way my mind's set
on her
I'm trying hard to help myself but I'm just a do-nothing

Another day,
And things don't change a bit
Another job,
That I just have to quit
When nothing else is going right- she makes me wanna
party all night
I'm trying hard to help myself but I'm just a do-nothing

I saw her in the park today,
But I didn't have a thing to say
I tried to make her see me
She went away and I went home just to watch tv

I try my best to get my stuff together,
But I'm heavy and she's light as a feather

And everything's such a blur,
The way my mind's set on her
I'm trying hard to help myself,
But I'm just a do-nothing

I'm trying hard to help myself,
But I'm just a do-nothing
