If I could right those wrongs

I did you
Tell me would it be like this

Sometimes this is all I think of
I don't have the strenght to miss

This ain't about the words that's fallen
Not another way to let go
You'll know - so tell me

Who's gonna take you back again
Who's gonna show you every thing
Baby
You just wait and see

I'm gonna keep the promises
I'm gonna be the one who say's
Baby
You just wait and see

If you fail to show me
Don't stop trying
This is just the way it goes

I know that you've been hurting
I been trying
This is all I really know

This ain't about the words that's fallen

Just another way to believe
You'll see - so tell me

Who's gonna take you back again
Who's gonna show you every thing
Baby
You just wait and see

I'm gonna keep the promises
I'm gonna be the one who say's

Baby
You just wait and see

Who's gonna take
Who's gonna give
Who's gonna be the one
Who takes the risk

Who's gonna leave
Who's gonna stay
Who's gonna be the one
Who finds the way

Who's gonna take you back again
Who's gonna show you every thing
Baby
You just wait and see

I'm gonna keep the promises
I'm gonna be the one who say's
Baby
You just wait and see
