"If You Hold A Stone"

If you hold a stone, hold it in your hand
If you feel the weight, you?ll never be late
To understand
But if you hold the stone, hold it in your hand
If you feel the weight, you?ll never be late
To understand

If you hold a stone, marinheiro s?
Hold it in your hand, marinheiro s?
If you feel the weight, marinheiro s?
You?ll never be late, marinheiro s?
To understand?

Mas eu n?o sou daqui
Marinheiro s?
Eu n?o tenho amor
Eu sou da Bahia
De S?o Salvador
Eu n?o vim aqui
Para ser feliz
Cad? meu sol dourado
E cad? as coisas do meu pa?s
