### "In My Mind"

Thoughts they run away  
and not a thing you can do  
I'm sure that you don't know  
I got some plans for you

In my mind  
it's made up  
I'm telling you  
it's all made up

Sometimes I'm following  
The feeling you have in your gut  
I'm really trying hard  
to keep my feet on the ground but

In my mind  
it's made up  
I'm telling you  
I'm thinking of the things we would do  
in the street I tried off covering you  
I'm thinking of the things we would say  
after all the people's gone away  
Or whatever imagination  
I got some imagination  
I got some

In the darkest nights  
Reflected I see the moon  
Like in a lake at night  
The sun is rising too soon

But In my mind  
it's made up  
And I'm telling you  
I'm thinking of the things we would do  
in the street I tried off covering you  
I'm thinking of the things we would say  
after all the people's gone away  
Or what ever imagination  
I got some imagination

I got some

I got some imagination

I got some
