Well there's a party tonight  
But we're not asked to come  
They say we're cannibals  
Yes we're coming, taking over  
Fucking shit out, big takeover

Why won't you give us a chance  
We're not as bad as they say  
They call us cannibals

Well there's a party tonight  
But we're not asked to come  
They say we're cannibals  
We're sound the robots  
We got that slim look  
It's none of your business  
What we do

Well there's a party tonight  
But we're not asked to come  
They say we're cannibals
