"You Don't Mean A Thing To Me"

You're making deals
your money is on the mark
you'll always take
you're always on the dark
you buy a proof
you know just what to say

I took you out
I took you for a ride
you don't stand a chance
???????

you don't mean a thing, not a thing to me
you don't mean a thing [x8]
No matter what I might say you don't mean a thing to
me

You have those eyes
those really brown eyes
that's where you make
you make up all the lies
a part of you that I don't wanna see
a part of you I wouldn't wanna be
you don't stand a chance
not ???????

you don't mean a thing, not a thing to me
you don't mean a thing [x8]
No matter what I might say you don't mean a thing to
me
