You step in the room,
Hair pulled back with those steal blue eyes.
My heart skips a beat.
You float towards me, I'm hypnotized.
Go on rip my heart out, I can't move.
Baby, do you feel the way I do?
Do you feel it too?
Lay your body down.
Show me what you're made of.
I'm not fooling around.
Come on, start my fire.
Explosive when it catches.
Baby, you and I are gasoline and matches.
Smoke that cigarette,
Inhale it slowly like a bad girl should.
I look you up and down,
Feeling more and more like the big bad wolf.
I huff and puff I'll blow your house down girl.
Open up the door, it's up to you.
It's up to you.
Lay your body down.
Show me what you're made of.
I'm not fooling around.
Come on, start my fire.
Explosive when it catches.
Baby, you and I are gasoline and matches.
I'm the big bad wolf.
I'll huff and puff and blow your house down girl.
Open up the door, it's up to you.
It's up to you.
Lay your body down.
Show me what you're made of.
I'm not fooling around.
Come on, start my fire.
Explosive when it catches.
Baby, you and I are gasoline and matches.
