There's a boy, and he's all alone  
Dreamin of a life when he had someone to hold  
Sittin on the couch watchin for all his friends  
Sit and watch tv, watchin CNN

And I say all, all that I know  
He's all alone, it's not the same  
Cuz all I know, all that I know  
He's all alone, it's not that same

There's a girl and she's all alone  
It's the same old dance it's the same old song  
It's the same old feelings runnin through her head  
She don't know what to do instead

And I say, I say all, all that I know  
She's all alone, it's not the same  
Cuz all I know, all that I know,  
She's all alone, it's not the same

When you stay up too late  
Your caught in the game  
When your too late, it's coming tumbling down  
And all that I know, and all that I show  
Yeah

And I say all, all that I know  
Their all alone, it's not the same  
Cuz all I know, all that I know  
Their all alone, it's not the same

Cuz ahh, ahnnununun, ahh, ahnnununun  
Uh uh, uhnnununun  
Cuz ahh, ahnnununun, ahh, ahnnununun
