(No I Can't Stop Loving You)  
(I Can't Stop Loving You)  
I know your somewhere inside of the city drunk and  
Holding someone else  
I feel my senses set to explode  
(No I Can't Stop Loving You)

Feels like my soul's just constantly marching forward  
Forcing onward  
Feels like sometimes I just don't wanna go  
Baby let me know  
Have you ever loved something so bad?

God I can't stop loving you babe  
Its so much blacker this pain  
And I start scaring myself  
I start to question my own mental health  
Can anybody feel me at all  
I can't stop loving you baby  
In this world so tired and baby  
Can anybody feel me at all  
I can't stop loving you baby  
In this world so tired and baby  
Can anybody feel me at all

(No I Can't Stop Loving You)  
(No I Can't Stop Loving You)

Feels like my soul's just constantly marching forward  
Forcing onward  
Feels like sometimes I just don't wanna go  
Baby let me know  
Have you ever loved something so bad?

Yeah eah ha  
My God I can't stop loving you girl  
Its so much blacker this world
