You want your independence  
But you won't let me let you go  
You wanna test the waters  
And leavin' on the empty shores

But I'll take my time if you want to  
And I'll give you whatever you need  
And I'll way down life time to give in to you  
Give in to you, oh

You think that you're the sun  
The whole world that falls around you  
The sinner of attention  
And everything is strong to you

But I'll take my time if you want to  
And I'll give you whatever you need  
And I'll way down life time to give in to you  
Give in to you, oh, to you, oh

But I'll take my time if you want to  
And I'll give you whatever you need  
And I'll way down life time to give in to you  
Give in to you, ooh, ooh, ooh, ooh, ooh, ooh

I'll walk away the life time, ooh  
And I won't wait for you, ooh  
And I won't wait the life time, ooh  
And I won't wait for you, ooh

I won't wait a life time, ooh  
I won't wait for you  
I won't wait a life time for you
