Blue meets gray, a sun meets the starry night
Water meets the sand
I heard your voice, I breathe your breath alive
For the first time I opened up my eyes

And now I see everything in a brand new light
Like a newborn child with a brand new life
I know my heart is alive inside 'cos I feel it
Yes, I feel it

And I don't know where my sorrow went
And I don't care what you've done with it
'Cos you gave me grace till my heart's content
I'm different, yes, I'm different

Who I am and who I used to be
Are more than worlds apart
Lord Your love and what You've done for me
They've taken me, taken me this far

And I see everything in a brand new light
Like a newborn child with a brand new life
I know my heart is alive inside 'cos I feel it
Yes, I feel it

And I don't know where my sorrow went
And I don't care what you done with it
'Cos you gave me grace till my heart's content
I'm different, yes, I'm different
Oh, yeah

Now I see everything in a brand new light
Like a newborn child with a brand new life
I know my heart is alive inside 'cos I feel it
Yes, I feel it

And I don't know where my sorrow went
And I don't care what you done with it
'Cos you gave me grace till my heart's content
I'm different, yes, I'm different
Yes, I'm different
I'm different
