Sunday mornin, 4 AM, a sleepless night comes to an  
end  
City lights crash down on me  
I see your picture by my bed, so I quickly turn my head  
To get my focus back, to get my focus back

Cuz I wouldn't give a life for you, for you  
Just to sit with you a while

I wipe the sleep from my eyes, then I suddenly realize  
Your the only one for me  
I put my head in my hands and pray that God you'd  
understand  
Your the only one for me, yeah

Cuz I wouldn't give a life for you, for you  
Just to sit with you a while, yeah

Cuz I need more now, I need more now  
I need more, yeah
