Jamie was walking on the border state line
She was dreaming 'bout a city
She was dreaming about a better life

Jamie was walking as the sun fell to the ground
The bright lights were calling, the city was yelling
It's time to find her way, yeah

But even the pouring rain won't keep her away, keep
her away, no
But even the pouring rain won't her keep away
Even the pouring rain won't keep her away, keep her
away, yeah

Jamie's been hiding, hiding from the fears inside
But this old world's controlling the feelings that she's
holding
It's time to find her way, yeah

But even the pouring rain won't keep her away, keep
her away, no
But even the pouring rain won't her keep away
Even the pouring rain won't keep her away, keep her
away, yeah

Even the pouring rain won't keep her away, keep her
away, no
Even the pouring rain won't keep her away
Even the pouring rain won't keep her away, keep her
away

No, no, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Oh yeah, no, no, yeah, yeah, yeah, yeah
