My cherie amour lovely as a summer day  
My cherie amour distant as the Milky Way  
My cherie amour pretty little one that I adore  
You're the only girl my heart leaps for.  
How I wish that you were mine.

In a cafe or sometimes on a crowded street  
I've been near you but you never notice me  
Oh cherie amour won't you tell me how could you  
ignore  
Back behind this little smile I wore  
How I wished that you were mine.

My cherie amour...  
My cherie amour...  
Maybe some day you'll see my face among the crowd.  
Maybe some day you'll share your little distant cloud.  
Oh cherie amour pretty little one that I adore  
You're the only girl my heart leaps for  
How I wish that you were mine.
