Staring at an empty cup waiting to fill it up
Just as I see her walk by
I come inside here everyday, my jaded heart won't let
me stay
It's time to tell her everything, so breathe just breathe

I'm ready to find love, ready to feel love
Ready to see for the first time
I'm ready to know one, ready to love one
Ready to give you everything

Oh, I need to know if this is all your love
'Cos I wanna give you all I have
'Cos all I feel inside has gotta come out sometime
It might as well be now, so breathe, just breathe

I'm ready to find love, ready to feel love
Ready to see for the first time
I'm ready to know one, ready to love one
Ready to give you everything

'Cause I've been searching for awhile
For someone to show me
And I've been waiting my whole life
For someone to show me how I can find love
Feel love and see for the very first time

I'm ready to know one, ready to love one
I'm ready to feel
I'm ready to find love, ready to feel love
Ready to see for the first time

I'm ready to know one, ready to love one
Ready to give you everything
I'm ready to feel, I'm ready to feel, oh
I'm ready to feel, ready to feel, ready to feel
