Send her an angel to guide her fragile heart
To dry those tears that fall in the dark
Send her an angel to hold her through the night
To bring her love and show her light

It's a crazy world she's livin' in tonight
Show her grace, tender mercy, hold her tight

I know the shadows will fade when the light drifts
aways
It's okay, it's okay, it's okay
And the dark will give way to a brand new day
It's okay, it's okay, it's okay, yeah

Send her an angel to kiss her hallow eyes
Tell her she's your beautiful child
Send her an angel to whisper to her soul
She's not aloof and please let her know

It's a crazy world she's livin' in tonight
Show her grace, tender mercy, hold her tight

I know the shadows will fade when the light drifts
aways
It's okay, it's okay, it's okay
And the dark will give way to a brand new day
It's okay, it's okay, it's okay, yeah
Oh, yeah

It's a crazy world she's livin' in tonight, yeah
Show her grace, tender mercy, hold her tight

I know the shadows will fade when the light drifts
aways
It's okay, it's okay, it's okay
And the dark will give way to a brand new day
It's okay, it's okay, it's okay, yeah
It's okay, it's okay, it's okay, yeah
