I can't believe what she said to me as I
As I walked on through the door
As I look into her big, big brown eyes to see
Just what i'm lookin for

She'll believe in me
And I don't, I don't believe she says
I coulda found

What do you do, what do you say?
Make me run, make me run away
What do you do, what do you say?
Make me run, make me run away

Lets take it back just a few, to what she used to do
When I was everything
They she used to feel, the way she tried to steal, and
take my heart away

She'll believe in me
and I don't, I don't believe she says
I coulda found

What do you do, what do you say?
Make me run, make me run away
What do you do, what do you say?
Make me run, make me run away
What do you do, what do you say?
Make me run, make me run awayyyy
run away yeah, yeah, yeah
make me run away
make me run away
