Always
Be not always
And if always
Bow our heads in shame

Always
Please be not always
And if always
Bow our heads in blame

'Cause time
Has made promises
Just promises

Faces
Did you see the faces
Did they touch you
Have you felt such pain

To have nothing
To dream something
Then lose hoping
Is not life but lame

But time
Has made promises
Just promises

Mothers cry
Babies die
Helplessly in our arms
While rockets fly
And research lies
In progress to become
But what of man
Our flesh and blood
We turn our backs on life
How can we claim to stand for peace
When the race is armed strife
Destroying life

Always

Please be not always
But if always
Bow our heads in shame

Always
Please, please be not always
'Cause if always
Bow our heads in blame

'Cause time
Time
Has made promises
Death promises
