Girl, as you walk by  
I see the sign so deep inside.  
I knew it had to be  
When you smiled for a little while.  
I heard the same rhapsody  
So lovely and so fair.  
I knew right then and there  
That you were made for me.  
And it wasn't hard to see  
Guess I was born to love you.  
Guess I was born to love you.

Darling I, I was born to love you  
Give my love to no one but you.  
This is a man with the future in his hands  
Don't let go, don't let go,  
Baby, don't let go.

You better come on  
And take my hand  
Cuz I can't understand  
This feeling in my soul  
But I know that I would rather die  
Than to let this feeling go  
Oh, now, girl, can you see  
That this was meant to be?  
It's funny but it's true  
Guess I was born to love you.  
Guess I was born to love you.  
Guess I was born to love you.  
... etc to fade
