Can you feel it,
Can you feel it,
Can you feel it

If you look around
The whole world's coming together now, babe

Can you feel it,
Can you feel it,
Can you feel it

Feel it in the air,
The wind is taking it everywhere, yeah

Can you feel it,
Can you feel it,
Can you feel it

All the colors of the world should be
Lovin' each other wholeheartedly
Yes, it's all right
Take my message to your brother and tell him twice
Spread the word and try to teach the man
Who is hating his brother,
When hate won't do, hoo
'cuz we're all the same,
yes the blood inside of me is inside of you

Now tell me can you feel it,
(Hee)can you feel it,
can you feel it

Now tell me
can you feel it,
can you feel it,
can you feel it, yeah yeah, uhh

Sing aloud,
because we want to make a croud, yeah
touch a hand sing,
a sound so pure salvation rings,

tell me can you feel it,
can you feel it,
can you feel it, yeah yeah , hoo

can you feel it, hee
can you feel it, ooo oooooo
can you feel it

All the children of the world should be
loving each other wholeheartedly,
yes it's alright,
take my message to your brother and tell him twice,
take the news to the marching men,
who are killing their brothers when death won't do, hee

'cuz were all the same
yes the blood inside of me is inside of you,

now tell me can you feel it,
tell me can you feel it,
can you feel it, hee

can you see what's goin' down,
can you feel it in your bones,
can you feel it, hee

yeah yeah, hoo

Every breath you take
Is someone's death in another place
('nother place, 'nother place, 'nother place)
Every healthy smile
Is hunger and strife to another child
('nother child, 'nother child,)
But the stars do shine
In promising salvation, is near this time
(Near this time)
Can you feel it now
So brothers and sisters show me know how
Now tell me, can you feel it,
Tell me can you feel it,
Can you feel it, hey hey, hoo, (talk)-(goin' down)
can you see what's goin' down
open up your mi- hi-hi hind,

All the children of the world should be,
loving each other wholeheartedly, hoo
yes it's alright
take my message to your brother and tell him
twice, (Haaa ha)
tell the news to the marching men

who are killing their brothers when death won't do, hee
yes we're all the same
yes the blood inside my veins is inside of you,

now tell me can you feel it,
can you feel it,
can you feel it

(can you,can you,can you feel it yeah) Can you feel it
(can you feel it)can you feel it
(can you feel it)can you feel it.
