Merry christmas everybody!

Yeah merry christmas everybody... big deal!

What's wrong with you jermaine?

Yeah that's no kind of attitude!

This only happens once a year!

Hey fellas, don't bug him!

He and his girl just broke up, so get off his back!

Can't you see there's tears in his eyes!

Yeah he's crying, look he's crying

Don't cry, don't cry, don't cry!

Christmas wont be the same this year

Without her loving arms, holding you so near

Christmas wont be the same this year

Without her loving arms, holdin you so near

I see the lights

But they don't shine for me

I see the presents

Underneath the christmas tree

Our house decorated

My friends are celebrating

Christmas wont be the same this year

Without her loving arms holding you so near

Christmas wont be the same this year

Without her loving arms holding you so near

The neighborhood kids

Are having so much fun

Counting down the days

Till santa claus comes

And I see the mistletoe

Hangin from my door

I wish that I could kiss you agian

Like I did before

Christmas wont be the same this year  
Without her loving arms holding you so near

So go on girl  
And have your fun  
Don't spoil your time  
Thinkin about me  
This time next year  
My darling dear  
Hopefully, you'll be having dinner with me

Christmas wont be the same this year  
Without her loving arms holding you so near
