Show me how funky
Is your chicken now (can you do it, can you do it, can
you do it)
Let me see you get away, get away
When the band starts kickin' now
Show me how funky
Is your chicken now (can you do it, can you do it, can
you do it)
Let me see you get away, get away
When the band starts kickin' now

Oh, if you can do the funky chicken better than I can
I don't mind givin' in to the baddest man (to the
baddest man)
Ooh, but I said I(i said I) like competition (like
competition)
Yeah, yeah, yeah cause a little competition now keeps
me condition now
Oh, oh, oh so you better come on (come on)come on
(come on)
So get yourself in the groove and get ready to move,
come on

Chorus

You've been spreadin' rumors
You're the baddest on two feet
Let me tell you buddy
I'm ready to compete

We're gonna have a showdown
I'm ready, how 'bout you
Oh, we're gonna dance til the midnight hour
Or 'til the sun come shinin' through
Come on (come on) come on (come on) come on yeah,
yeah, yeah, yeah
Put yourself in the groove and get ready to move,
come on

We're gonna have a showdown
Gonna get the low down yeah, yeah, yeah
Showdown

You ought to be around
