You use the love to quench your desire  
You play with me, you play with fire  
I'd give my heart to take you higher  
This is my only one desire  
We can't get along and you won't come home  
There's a day I caught you in his arms  
Seducing him with all your charms  
You know you really hurt me so  
I need you and I won't let go

Can't get away, babe  
Can't get along, mama  
Can't get away, babe  
Oh, you hurt me so

Oh babe, you got me cryin' in my sleep  
I close my eyes it's you I see  
You're not with someone else, I know  
My heart says not to let you go  
Oh babe, my heart is stronger than my soul  
You hurt my head down to my toes  
I won't let go, you make me wild  
You leave me girl, you know I'll die

Can't get away, babe  
Can't let you go, mama  
I can't get away, babe  
Oh, you hurt me so  
Can't get away, babe  
Can't let you go, mama  
Can't get away, babe  
Oh, you hurt me so  
Oh no no no no no no no no

Lord help us so You help these so  
You need me then You lead me, here's my place to go  
Lord help us, You help these, You help me  
Can't get away, babe

Oh no no no  
Can't get away, babe  
Can't get away, babe

Can't let you go, mama  
Baby you hurt me so  
Can't get away, babe  
Can't let you go, mama  
Can't get away, babe  
You hurt me so  
Oh no no no no no no no

I'll be cryin' in my sleep  
In my sleep
