If I don't love you this way  
If I don't love you this way

If I don't love you this way  
Why do I say what I say, yeah  
If I don't need you this much  
Why do I ache for your touch, yeah

With you it seems  
I can reach the stars  
With reckless hopes and dreams  
But you it seems  
Still don't believe  
How valuable you are  
I'm really loving you  
Not pretending to

If I don't love you this strong  
Why do I beg to belong, yeah  
How can you doubt that I care  
When I'm with you everywhere, yeah

With you I find  
I can close my eyes  
To the world surrounding me  
And you create  
The sweetest things  
That I could ever be  
I'm really loving you  
Not pretending to

If I don't love you this way  
Why do I say what I say, yeah  
If I don't need you this much  
Why do I ache for your touch, yeah

You just have to smile  
To make my life worth while  
Doesn't that explain  
That I'm playin' no games

If I don't love you this way

Why do I say what I say, yeah  
If I don't need you this much  
Why do I ache for your touch, yeah
