Gettin' close to midnight  
I feel the trouble in the air  
Livin' here in the city life  
So it seems they just don't care

She says groove all night  
I said it's gotta be alright  
She said take my advice  
The night has just begun

Let's get down  
Midnight rendezvous  
Ah where people go  
Can't help but get loose

Midnight rendezvous  
This place uptown  
Where they all get down  
Wall to wall people jumpin'

A lot of babes are in this place  
I don't care if she belongs to him  
I'm gonna stare back in her face  
She says groove all night

You said wanna start a fight  
I said take my advice  
And yeah the night has just begun  
Let's get down

Midnight rendezvous  
Ah where people go  
Can't help but get loose  
Midnight rendezvous

This place updown  
Where they all get down  
Midnight rendezvous  
Ah where people go

Can't help but get loose  
Ah no

Ah groove all night long  
Groove on

All my baby, baby, baby  
Dance with me 'til mornin'  
Midnight rendezvous
