I'll give my all and all
To you and no other woman
Never will I let you down
Never will I do wrong
And I'll give my heart and soul
And hope that you will never let me go
Never had a woman so fine
And if I give my love completely
(Will u love me in return)
And if it's in your heart then show me
Then you'll never have to worry
Cause I'll always be around
Nothin'
And I do mean nothin'
Nothin' that compares 2 u
You're so fine that I'm scared of you
Nothin'
And I do mean nothin'
Nothin' that compares 2 u
You're so fine that I'm scared of you
I'll give my everything

To you and have no other

Ever since I fell in love

Never have I been down

You've been the only one

Promise my one and only lover

Never has my love been so sound

And if you give your heart completely

I will never let you go

And I will love you girl so sweetly

You will never have to worry

Cause I'll always be around

Nothin'

And I do mean nothin'

Nothin' that compares 2 u

You're so fine that I'm scared of you

Nothin'

And I do mean nothin'

Nothin' that compares 2 u

You're so fine that I'm scared of you

Nothin'

And I do mean nothin'

Nothin' that compares 2 u

You're so fine that I'm scared of you

Nothin'

And I do mean nothin'

Nothin' that compares 2 u

You're so fine that I'm scared of you

And if I give my love completely

Will you love me in return

And if it's in your heart then show me

You will never have to worry
