If you love your sweetie  
you can say it in graffiti  
On the wall, On the wall

If life aint too exciting then it's time to be writing

On the wall, On the wall

With your spray can, spray your message in the middle  
of the night (oh)

Oh say can you see by the dawn's early light.

There's one space left clean and shining where we ask  
our guests to sign in

On the wall, On the wall  
(OOOH)

Get it on, Get it on  
Get it on, Get it on

Say it

Everybody that you see here were so glad that you  
could be here

That's all, That's all

Let's have a ball and get it on y'all (C'mon)

(HEY)!!!
