Lonely, in my darkened room  
Sad and weary, persevering for love  
Sad and weary, persevering

And I hope that she is thinkin'  
To come back to me  
Is it possible she's thinkin' of me at all?  
Have I gone too far?

If only, I had shown her love  
She'd be with me, deep inside me  
My love, my love  
She'd be with me, deep inside me

And I hope that she is thinkin'  
To come back to me  
And I pray that faith can bear

This suffering inside 'til she arrives

And I hope that she is thinkin'  
To come back to me  
And I'm scared there's someone sleepin' by her side  
I can't hide all the pain deep inside, is this love?  
Time waits for no one

Time waits for no one  
Time waits for no one  
Time waits for no one  
Time waits for no one

Time waits for no one  
Time waits for no one  
Time waits for no one
