You can't say that I don't love ya  
Nights cryin' thinkin' of ya  
I don't understand your ways  
They say true love is forever gladness  
All that I feel is sadness  
I don't understand your ways

You keep me walkin' my way back to you  
You say you love me then leave me so blue  
You break my heart,  
Then you say that we're through  
But it's O.K.  
I don't understand your ways

What have I done to deserve this madness  
All that I feel is sadness  
I don't understand your ways

You keep me walkin' my way back to you  
You say you love me and let's start anew  
You break my heart,  
Then you say we're through

No more believin'  
In every word you say  
Persuasions deceiving  
But I'm wise in every way  
And I know 'bout your playin'  
With every guy in town  
So this time I'm sayin'  
You won't fool me around

Then you get me walkin' my way back to you  
You say you love me then leave me blue  
You break my heart,  
Then you say that we're through.  
But it's O.K.  
You're no good  
I don't understand your ways  
One more fool just to love and groove ya  
That's all that he want to do to ya  
I don't understand your ways
