I remember when you was a little girl
I say you never ever ever wore curls
You wore nothing but an ole shaggy shaggy dress
I say you never ever tried to look your best

(Chorus) now when I look at you

All my love come running through
You've changed & it's shown yeah
My love for you has grown yes it did now
You've changed & it shown

Yeah... yeah, yeah...

Your legs were little but now they are big
Instead of wearing ponytails
You got a little ole red wig
Your eyes are pretty, you got some kissable lips
& I love they way you walk, way you sway your little hips
(Chorus)
