(No I Can't Stop Loving You)
(I Can't Stop Loving You)
I know your somewhere inside of the city drunk and
Holding someone else
I feel my senses set to explode
(No I Can't Stop Loving You)

Feels like my soul's just constantly marching forward
Forcing onward
Feels like sometimes I just don't wanna go
Baby let me know
Have you ever loved something so bad?

God I can't stop loving you babe
Its so much blacker this pain
And I start scaring myself
I start to question my own mental health
Can anybody feel me at all
I can't stop loving you baby
In this world so tired and baby
Can anybody feel me at all
I can't stop loving you baby
In this world so tired and baby
Can anybody feel me at all

(No I Can't Stop Loving You)
(No I Can't Stop Loving You)

Feels like my soul's just constantly marching forward
Forcing onward
Feels like sometimes I just don't wanna go

Baby let me know
Have you ever loved something so bad?

Yeah eah ha
My God I can't stop loving you girl
Its so much blacker this world
And I start scaring myself
I start to question my own mental health
Can anybody feel me at all

I can't stop loving you baby
In this world so tired and baby
Can anybody feel me at all
I can't stop loving you baby
In this world so tired and baby
Can anybody feel me at all

I can't stop loving you baby
(I can't stop loving you)
I can't stop loving you
(I can't stop loving you)
Can Anybody feel me at all
I can't stop loving you baby
(I can't stop loving you)
In this world so tired and baby
(Can't Stop Loving you)
Can anybody feel me at all
