Summer winds still blowin (blowin)  
Summer suns still glowin (glowin)  
And the kids still laugh as they play all day.  
I met a real fine lady (lady)  
Shes a right on time baby  
but its a little complicated cuz shes just not you

## CHORUS

So I gotta say some would tell me why  
even the stars up in the sky  
conspire to shine, they're on your side  
I'm havin a Shady day

I had a real hard work day (work day)  
and even though its Friday  
I don't wanna go I keep thinking about you,  
Yeah yeah  
Everything is blase blase  
I dont even wanna watch the TV  
I just sit around thinkin bout how we used to do  
Come on

## CHORUS

Your love should be crime  
The way that it just got jacked, my mind  
the moment he, just passed in time  
I think its a shady day

(Baas)

I dream about you sittin in my ride (my ride)  
I dream about you layin by my side (my side)  
dream about you sharing those sweet dreams as we sit  
and watch the sun rise  
it was my fault, the way that I act  
and thats a fact, and now she wont come back  
Oh Lord, now I would do anything to have her back with  
me

## CHORUS

Woah woah woah  
Your love should be crime  
The way that it just got jacked, my mind

I'm over you, just passin time
