Everybody's high on consolation  
Everybody's tryin' to tell me what is right for me  
I need a drink and a quick decision  
Now it's all up to me, ooh, just what will be

She's gone, oh I, oh I  
I gotta learn how to face it  
She's gone, oh I, oh I  
I'd pay the Devil to replace her  
She's gone, oh I, what went wrong?

Get up in the morning, look in the mirror  
I'm warm as a toothbrush hanging in the stand  
My face ain't looking any younger  
Now all I can see is love taking her toll on me

She's gone, oh I, oh I  
I gotta learn how to face it  
She's gone, oh I, oh I  
I'd pay the Devil to replace her  
She's gone, oh I, what went wrong?

I spend eternity in the city  
Carbon monoxide chokes my thoughts away  
And the girls help dissolve the memories  
They can never be what she was to me

She's gone, oh I, oh I  
I gotta learn how to face it  
She's gone, oh I, oh I  
I'd pay the Devil to replace her  
She's gone, oh I, what went wrong?

She's gone, oh I, oh I  
I gotta learn how to face it  
She's gone, oh I, oh I  
I'd pay the Devil to replace her  
She's gone, oh I, what went wrong?

She's gone, oh I, oh I  
I gotta learn how to face it  
She's gone, oh I, oh I

I'd pay the Devil to replace her  
She's gone, oh I, oh I
