I'm out of love  
I'm out of tears  
Small wonder after three long years  
Stopped waiting by the phone for you to call  
And somedays I don't even think of you at all

I do my work  
Come home to bed  
Just trying to put my life together again  
Been hanging with my friends  
I drink until I fall  
And somedays I don't even think of you at all

#### CHORUS

(somedays)  
I don't even feel the pain baby baby  
(somedays)  
I don't even call your name baby baby  
(somedays)  
Hear the things you used to say  
See your smile, your clothes, your face  
Baby baby baby somedays I don't think of you at all

I'm on my own  
I'm on my way  
It gets a little easier everyday  
Stopped dreaming of your face  
Now I don't dream at all  
And somedays i don't even think of you at all

Chorus x2

I do my work  
Come home to bed  
Just trying to put my life together again  
Stopped waiting by the phone for you to call  
Somedays I don't even, somedays I don't even,  
somedays I don't even

Chorus x3
