Alone in the city Ain't no streets of gold
Wallowing in self pity
In a world so hard and cold
Walking the streets in vain
To find a friendly face
But all I got was pain
And I was lost without a trace
Bridge Scared and alone
I didn't have the strength to carry on

I thought that I would never win this fight
Took so lace in my loneliness
But now I see the light

(Chorus)
Coz-I-oh I-oh I
I'm never going down again
I said I-oh I-oh I
I'm never going down again

I 've danced with the devil
I have prayed to the Lord
Drowned in a sea of sorrow
My joie da vivre was searching for salvation
from on high But hope springs
enternal like true love And I made a vow somewhere,
somehow That I would rise above

(Chorus)
Coz-I-oh I-oh I
I'm never going down again
I said I-oh I-oh I
I'm never going down again

Looked to the sky
I was searching for salvation from on high
But hope springs enternal like true love
And I made a vow somewhere,somehow
That I would rise above

(Chorus)
Coz-I-oh I-oh I

I'm never going down again
