Wind me up  
Put me down  
Start me off and watch me go  
I'll be runnin' circles around you sooner than you know  
A little off center  
And I'm out of tune  
Just kickin' this can along the avenue  
But I'm all right

'Cause it's easy once you know how it's done  
You can't stop now  
It's already begun  
You feel it  
Runnin' through your bones  
And you jerk it out  
And you jerk it out

Shut up  
Hush your mouth  
Can't you hear you talk too loud  
No I can't hear nothin' 'cause I got my head up in the  
clouds  
I bite off anything that I can chew  
I'm chasing cars up and down the avenue  
But that's okay

'Cause it's easy once you know how it's done  
You can't stop now  
It's already begun  
You feel it  
Running through your bones  
And you jerk it out  
(2x)

And you jerk it out  
And you jerk it out  
And you jerk it out  
Oh baby don't you know you really gotta jerk it out  
When you jerk it out, oh baby don't you know you really  
gotta jerk it out  
When you jerk it out, oh baby don't you know you really  
gotta jerk it out
