Somebody just tell me how the time gets away
And where's all the things
That I held so tight in my
Hands just like yesterday

I look around and everything has changed
But when I look real hard it's all the same
I get the feeling that it all just stays the same
Still I feel that there's everything to reclaim

If you could say my soul then save my ass
'Cause I'm losin' ground and I'm goin' down fast
If you can save my soul, lend me your hand
Lend me your hand

She hates to take the blame for her deeds
She loves it when she bleeds
'Cause it reminds her
That she's not the only one

It makes it easy to forget what she has done
All the while the pain is growing inside
She's crying out
"Somebody lend me a hand"

If you could say my soul then save my ass
'Cause I'm losin' ground and I'm goin' down fast
If you can save my soul, lend me your hand
Lend me your hand

If you could say my soul then save my ass
'Cause I'm losin' ground and I'm goin' down fast
If you can save my soul, lend me your hand
Lend me your hand

Is anybody out there?
Can you hear me now?
Can you hear me?
Can you hear me now?

Is anybody out there?
Can you hear me now?

Can you lend me your hand?

Yeah, yeah

If you could say my soul then save my ass

'Cause I'm losin' ground and I'm goin' down fast

If you can save my soul, lend me your hand

Lend me your hand
