I hate you Bin Laden
I hate you Bin Laden
I hate you Bin Laden
I hate you Bin Laden

I'm pissed off and not a patient man
I'd drop a bomb on Afghanistan
I'd take that towel from your head
Wrap it around your neck

Pull it tight until you are dead
Mother fucker you want to play
You want to go to hell
I'll send you today

You've got an open invitation to meet me face to face
You fight like a coward, you're not a man, you're a
disgrace
You stepped across the line from your sand to my
grass
You've got an open invitation to kiss our ass

I hate you Bin Laden
I hate you Bin Laden
I hate you Bin Laden
I hate you

I ain't scared to take an eye for an eye
I ain't scared, it's the truth
It's an eye for an eye and a tooth for a tooth
I'm pissed off seeing red, candy ass I want you dead

You've got an open invitation to meet us face to face
You fight like a coward, you're not a man, you're a
disgrace
You stepped across the line from your sand to my
grass
You've got an open invitation to kiss our ass

We some bad motherfuckers

You've got an open invitation to meet us face to face

You fight like a coward, you're not a man you're a
disgrace
You stepped across the line from your sand to my
grass
You've got an open invitation to kiss our ass

I hate you Bin Laden
I hate you Bin Laden
I hate you Bin Laden
