(J.J. Dupree)

I'm never speechless

Know what I want to say

About what it took for me to get here

Where I am today

I'm not ashamed to say

(Chorus)

Thanks for the Grammy

Who'd a thought a country boy like me

I'll cherish it forever

Garnish with tar and feather

You'll see what it means to me

I wanna thank big daddy know-it-all

Looks like he done me right

Got me records on the shelf

In the Wal-Mart, you know

They're open all night

They sell my records and my guns

I think that's out of sight

(Chorus)

Thanks for the Grammy

Who'd a thought a country boy like me

I'll cherish it forever

Garnish with tar and feather

You'll see what it means to me

If I'm dreaming just let me be

Until I see the hypocrite faces

As they congratulate me

I don't hold a grudge

They know not what they do

They just chase the trends

Set by me and you

So I may not have won a thing

But I got peace of mind

And I'll just sing my songs

To the people who wanna

Have a good tiime

Have a gram on me one time

(Chorus)

Thanks for the Grammy

Who'd a thought a country boy like me

I'll cherish it forever
Garnish with tar and feather
You'll see what it means to me
