On and on and on
And on we go
I got my hands on some hot mamas
Right after the show

We stroll on to the avenue
It's just a short, short walk
And when it's time to rock
I can talk the talk and walk the walk

Let's rock [(overflow of love)] the two on one
connection
Bringing to the night, the things that you been
dreaming of
[(Overflow of love)] the two on one connection
Juices start to flow, bringing on the overflow of love

Well in the summertime
It's hot sticky sweet and it's right
Like a thief in the dark
A machine that goes bump in the night

I put my foot on the floor
But with two you can't stop on a dime
'Cause when the odds are against you
You don't know when it's quitting time

It's the [(overflow of love)] the two on one connection
Bringing to the night, the things that you been
dreaming of
[(Overflow of love)] the two on one connection
Juices start to flow, bringing on the overflow of love

Bring it on down
Yeah
Yeah

It's the [(overflow of love)] the two on one connection
Bringing to the night, the things that you been
dreaming of
[(Overflow of love)] the two on one connection

Juices start to flow, bringing on the overflow of love

[(Overflow of love)] the two on one connection
Bringing to the night, the things that you been
dreaming of

[(Overflow of love)] the two on one connection
Juices start to flow, bringing on the overflow of love

Yeah
