So close your eyes there's no surprise you'll realize they
hear you,
Just hide your fear come closer dear,
It's hard when no one loves you,
I'm on the soul of every role,
Of every place your taking,
Until I'm done just stay for fun tomorrow's breaking
even,

I, I,
Ooohh yeah,
Too late, never say,
Tomorrow is another day,
One love I'm one away,
I never thought that I'd hear heaven say,
Inside I know the way,
She fell like fire I forgot to play,
One love I'm one away,
I never thought that I'd hear heaven say,
Heaven sa-ay,

We've lost our chance our one last dance,
Them circumstances fail us,
We'd wait too long they found our song,
It seems like time's against us,
Maybe it's me I'm overboard and singing for no reason,
But life is light, love like a fight,
Today we're breaking even,

I, I,
Ooohhh yeah,
Too late, never say,
Tomorrow is another day,
One love I'm one away,

I never thought that I'd hear heaven say,
Inside i know the way,
She fell like fire I forgot to play,
One love I'm one away,
I never thought that I'd hear heaven say,
Heaven sa-ay,

Everyone here thinks I'm crazy,
Seems like most of us look lazy,
Waiting round here, choose amazing,
Everyone runs like its eazy,

Yeah now,
Too late, never say,
Tomorrow is another day,
One love I'm one away,
I never thought that I'd hear heaven say,
Inside I know the way,
She fell like fire I forgot to play,
One love I'm one away,
I never thought that I'd hear heaven say,

Too long, never say,
Tomorrow is another day,
One love I'm one away,
I never thought that I'd hear heaven say,
Inside I know the way,
She fell like fire I forgot to play,
One love I'm one away,
I never thought that I'd hear heaven say,
Heaven sa-ay,

Hmm never thought I'd hear heaven say
